No. 552/ COE /24

Date:25 / 07 / 2024

NOTICE

It came to the notice of the authority that some students of 2021 Admission Batch were complaining to have their marks/CGAP decreased in mark/grade sheet published on college website. Immediately after publication of result some students downloaded the marksheet and uploaded the same without noticing the disclaimer that "the results are provisional and subject to change after post publication scrutiny by GOVT.AUTONOMOUS COLLEGE,PHULBANI". During scrutiny it was found that the result was published by reflecting **06(Six) credits in AECC paper** instead of **04(four) credits**. As soon as this technical error was detected steps were immediately taken for rectification & Publication of correct version of results.

Students are advised to download the corrected version of the published result from college website and can use for their future purposes.
